

## Camden County College Credit Opportunity for AHS students

Camden County College offers the “High School Plus” program where AHS students who are taking certain courses at AHS can also earn credit at the college level for the same courses.

In other words...it is a “Two For One” deal.

Our students take the class, receive high school credit AND receive college credit providing they register with the college and obtain a good grade in the course.

What’s the cost to register? ONLY \$93 PER COURSE.

THIS IS A SIGNIFICANT SAVINGS! Camden County College courses are typically \$93 per credit PLUS fees...

IF YOUR STUDENT IS TAKING ANY OF THE FOLLOWING COURSES, HE/SHE IS ELIGIBLE FOR THIS PROGRAM:

Anatomy  
Spanish III, IV, AP  
French III, IV, AP  
US History II H  
US History AP

Camden County College credits through the High School Plus program are often transferable to four year colleges. Your student’s counselor has a list of schools that have accepted these credits in the past.

**REGISTRATION DEADLINE FOR THIS PROGRAM IS MARCH 16, 2010.**

If you would like to take advantage of this program, students should submit the appropriate paperwork to their counselor or Mrs. McKenna by this date.
