

Audubon Junior-Senior High School

Summer Reading 2010

Dear Student,

Here is a list of books from which to choose for your summer reading. It is your responsibility to pick one of these and have it read by the time you return to school in September. **Honors students in all grades and AP English students may be required to read additional titles as specified.** Most local bookstores will have copies. Also, you can check your town or county library, and any of several book sites (Amazon.com, for example), on the Internet. Your English teacher will assign a project, give a test, have you write an essay, or any combination of these to give you an opportunity to demonstrate your understanding of the book(s). We've taken a great deal of time to choose titles you will find interesting and rewarding. Happy reading!
