*To the Community of Audubon:*

Over the past few weeks, I have received a number of anonymous letters addressing various issues in the district. In EVERY case there are explanations to the issues brought to my attention that I would be more than glad to share with the writer. Unfortunately, the fact that they are unsigned makes it impossible for me to explain what is going on.

Often times, what appears to be an oversight or blatant violation of law on our part is related to the legal requirements we are held to as a public school district. In every case, I can only assure the public of Audubon that we are diligent in our efforts to make sure we make ethical and legal decisions regarding the operation of our schools.

If you have any issue with the operation of our school district, I encourage you to contact me at 856-547-1325 at your convenience.

Sincerely,

Donald A. Borden

### **MISSION STATEMENT**

*In partnership with our students, families and communities, the Audubon Public Schools will educate all students by providing motivating and challenging learning experiences that prepare them to achieve the New Jersey Core Curriculum Content Standards at all grade levels, in a safe setting of mutual respect in order to develop ethical, productive citizens who will contribute to the local and global community.*
