Audubon Preschool and Haviland Families,

I am so happy to welcome you all back to school. With temperatures dropping and the onset of fall, we hope, we are excited to begin our full school day routines on Monday. If you are new to our schools, you can expect to receive weekly bulletins via email to share information about upcoming events, celebrations, reminders, and important information related to your child's school day.

All families will receive information about the district's attendance procedures, as well as a Walking Tour permission slip, within the next week. Additionally, I ask that you please complete and return the Free and Reduced Lunch applications for your children as soon as possible. This data provides valuable information related to school funding, in addition to assisting families in need.

I am excited to share that Miss Brown received recognition for her efforts to promote health and wellness in our school community from the American Heart Association. Due to her efforts and your support, Haviland Avenue was the #1 contributing school in Camden County last year. Congratulations to Miss Brown and to her students for their mindful service to this good cause.

Please remember to call your child out if they will be absent. Also, please notify the office and your child's teacher if someone other than the usual pick up person will be picking your child up from school.

I hope you all have a safe, healthy, cool weekend, and we'll see you on Monday.

Barbie Ledyard
