**Dear Parents:**

Welcome to our 39<sup>th</sup> year of providing before and after school child care for working parents to all residents of Audubon and Audubon Park.

KEYS is an organized program supervised by qualified adults, with years of experience in our After School Child Care Program.

Audubon and Audubon Park Children in Kindergarten through grade six are eligible to attend KEYS at the school which they attend.

The children who participate in our KEYS program are very important to us. Because they are our responsibility, their welfare is our primary concern. Rules and regulations have been adopted and we request that you read the enclosed information. We further request that you adhere to the rules since failure to comply may result in dismissal from this program.

**REGISTRATION FORMS**

All children must be pre-registered. There is a \$25.00 fee per child per year. The registration form is a vital resource for our program.

The name, place of employment and employers telephone number, home number/cell number of each parent/guardian is imperative. Employment may be verified by the Coordinator.

Please consider carefully the name of an Emergency person to call in the event either parent is unattainable. The emergency person should be someone you deem responsible to help during your absence in the event of any unforeseen situation. You may have more than one emergency person listed if you wish.

Also on the registration form is the general information of the child – His/Her name, address, home telephone number, birth date and grade level.

Please advise on the form if any special conditions should be known to the supervisor, such as: diabetes, epilepsy, heart condition, food allergies, asthma, etc. but please note that there is no nurse on duty during Keys and caregivers cannot administer any medications, including inhalers. If your child does not have permission from his/her doctor to self administer inhaler, we can set up a plan of action so that the inhaler will be administered to your child right before they attend Keys by school Nurse. Please make notation on reg. card if this is the course of action necessary.

On the reverse side of the registration form designate only those ADULTS 18 years or older, that you give permission to pick up your child/children from the KEYS program. Also include their telephone/cell number.

**NO ONE WILL BE PERMITTED TO LEAVE WITH YOUR CHILD UNLESS YOU HAVE DESIGNATED IN WRITING THE NAMES OF THESE ADULTS. THEY MUST PROVIDE A PICTURE ID WHEN PICKING UP YOUR CHILDREN.**

**Please note:** Should your telephone number at home or at work change, or any other important information change during the school year be sure this change is noted on the registration form

**AM KEYS**

Children attending the morning Keys session must be pre-registered. There is a \$25.00 fee per child per year.

**NOTE:** Children who may be attending BOTH morning and after school child care need to be registered for BOTH Programs, however, only ONE registration fee is required.

On inclement weather days, children line up in the hallway then enter their classroom with the rest of the class. NOTE AM KEYS IS OPEN ON DELAYED SCHOOL DAYS DUE TO SNOW

Children may bring breakfast with them, or purchase a district BREAKFAST which is available each day thru the Cafeteria at a fee. This is separate from the Keys program and payment is made directly to Cafeteria staff for breakfast daily.

*All rules and regulations for the After School Child Care Program pertain to both AM & PM KEYS.*

Keys is a privilege and KEYS children are expected to follow all school rules while attending morning and /or afternoon child care programs.

The following disciplinary actions will take place should it become necessary to address a specific difficulty with any student:

1. A “Time Out” period will be given, removing the child from the situation that may be causing a difficulty.
2. The parents will be notified if the child continues to experience difficulties with the intent that parents will help resolve the issue at hand.
3. A detention will be assigned and parents will be notified that their child will attend KEYS at the conclusion of the hour detention. Detentions are served with the Keys Coordinator in the Elementary School that they attend.
4. Should it become necessary and behavior continues, the child will be suspended from the KEYS program for a number of days designated by the Coordinator of the KEYS program and Superintendent of Schools.
5. Permanent dismissal from the KEYS program will be the final step should the child not be able to abide by all the school rules and regulations. This decision will be made by the KEYS Coordinator and Superintendent of Schools.

## **ACTIVITIES**

Keys activities vary according to the seasons and the availability of outside playtime as well as scheduling of the gym. Outside playtime is encouraged during the fall and spring months and when there are mild winter afternoons. All Keys children will go outside for at least 1 hour or more per day. When weather is nice we may stay outside the entire Keys time.

Children usually begin the afternoon session with eating a snack that they have brought from home.

Free playtime is encouraged in small group activities when inside. Children are expected to clean up trash and put away games and other materials they have used when finished playing or before leaving

Please be sure the child's name is clearly written on any games or items they may bring from home. KEYS is not responsible for any items that may be left, broken or stolen.

Age Appropriate movies and or cartoons are usually viewed when inside due to inclement weather.

## **HOMEWORK**

Children usually begin the afternoon session with eating their snack. Students may do their homework on their own when they enter the Keys facility. However we will not force them to do their homework. If your child/children attends an after school program within the school and when they return to Keys if we are outside they will be told to do homework at home or they may do homework when caregivers and children come in from outside. Caregivers are available to answer any questions the student may have to the best of their ability. We can not give one on one attention or sign homework reading papers. If your child/children can not do homework on their own or they cannot focus on their own, they will be asked to do homework with their parent or guardian. We ask kindergartners to do reading at home with parents.

Thank you for your interest in our KEYS program.
