COMMISSIONER WHITMAN: With the holiday approaching, wishing everyone safe travels.

MAYOR JAKUBOWSKI: There is always a lot going on in town and April is busy. Opening Day is approaching for Audubon sports. Please be careful driving around and watch out for the kids on their bikes. Sustainable Audubon has a lot of events coming up. Please check out their social media and website. I believe a clean-up is planned soon. There will be an Earth Day event and the Library is doing an Earth Day event. Audubon Day is Saturday, April 27, and the Audubon Celebration Committee is working very hard to prepare and doing a fantastic job. The Audubon Recreation Committee had their first official "Friday Nights @ the Rec" where both kids and their parents can congregate for the kids to free play and the parents to socialize with other parents (unstructured family time). They are hoping to have four this year and maybe more if successful. Thank you to Lt. Gaspari for getting those lights fixed at Memorial Grove. It was nice to see that light back on.

OPEN SESSION:

Commissioner Whitman made a motion to open the meeting to the public, seconded by Mayor Jakubowski. All in favor-motion carried.

Joseph Burke, 433 Audubon Ave, came to the meeting tonight to discuss his concerns/complaints with the neighbors next door to him. He provided the Mayor and Commissioner with a handout that helps to describe his medical condition, Hyperacusis, which he has been dealing with for years. This is a debilitating illness for him, and he believes the neighbors are intentionally letting their dog bark and constantly hitting the key fob on the car alarms. He stated that he understands that dogs bark, but that this seems excessive. D. Taraschi, the Mayor and Commissioner as well as the Police Chief discussed possible options with Mr. Burke. They believe that conflict resolution through mediation may be helpful, and that D. Taraschi will discuss this with our Court Administrator to see if something could be set up.

John Poliero, 47 Beloit Ave, has come once again to complain about his neighbors. The noise continues with screaming inside the house. He believes there are many kids in the house and a man that is not part of the family living in that house. He stated that on St. Patrick's Day they were partying until 3:00 in the morning. He also once again complained about the neighbor's trash. Chief Tassi's response once again was that he needs to call the police whenever he has a complaint about the noise and the police will respond to the call and address the situation as promised in the past, but he must call the police each and every time.

Commissioner Whitman made a motion to close the meeting to the public, seconded by Mayor Jakubowski. All in favor-motion carried.

Closed Session: N/A
