VOTE FOR ITEM 1
Motion approved by unanimous roll call (7-0-1) Board Member Mrs. Butrica abstained and Board Members Mr. Blumenstein and Mr. Miller were absent

IX. Participation: (Agenda Items Only): Kevin Moran, Resident, asked what is the time period for Board approved policies to be uploaded on district website?

Dr. Davis responded.

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest.

In order to permit the fair and orderly expression of such comment, the Board has set aside two portions of this Board meeting for public comment on any school or school district issue that a member of the public feels may be of interest to the residents of the school district.

For the first portion, public comments are invited on matters pertaining only to the agenda for tonight's meeting. For the second portion, public comments are invited on all matters pertaining to the school district.

Participants should announce their name, address, and any group they may represent, if applicable. The Board reserves the right to limit public discussion. Public discussion of a topic will be limited to fifteen (15) minutes, and individual speakers will be limited to three (3) minutes. No participant may speak more than once on the same topic until all others who wish to speak on that topic have been heard. Reference bylaws #0167 of the Audubon Public Schools Board of Education Policy Manual.

The Board uses the public comment period as an opportunity to listen to citizen. Not all issues brought to a Board meeting will be resolved at that particular meeting. Complaints stated or actions requested by the public may be taken under advisement by the Board for investigation, discussion, actions, or disposition at a later date or time. The public comments sessions are an opportunity for citizens to share their opinions and remarks with the Board; it is not a question and answer session. The Board may or may not respond to public comments at the time they are made and is under no obligation to do so.

The Board does not endorse public comments nor will the Board be held liable for comments made by members of the public. Any individuals who may be the subject of public comments, including district employees, shall retain all rights against defamation and slander according to the laws of New Jersey.

All motions are voted on by all members unless otherwise marked with a +.

Mrs. Steidler, Resident, asked if there will be any summer orientation for students that remained remote in 2020-2021 school year.

Mrs. Fletcher, Resident, expressed concerns of the marching band and the lack of Administrative support.

Greta Davis, student, responded with an email as follows:
I’m sorry I couldn’t comment before, I just wanted to say thank you to Mr. Webb and Mr. Cosenza for all of the support throughout the last four years. They are incredible teachers and I’m so lucky to have gotten to work with them through civics club. I will miss them next year, but I carry their kind words and advice with me in everything I do.

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest. In order to permit the fair and orderly expression of such comment, the Board has set aside two portions of this Board meeting for public comment on any school or school district issue that a member of the public feels may be of interest to the residents of the school district.

For the first portion, public comments are invited on matters pertaining only to the agenda for tonight’s meeting. For the second portion, public comments are invited on all matters pertaining to the school district.

Participants should announce their name, address, and any group they may represent, if applicable. The Board reserves the right to limit public discussion. Public discussion of a topic will be limited to fifteen (15) minutes, and individual speakers will be limited to three (3) minutes. No participant may speak more than once on the same topic until all others who wish to speak on that topic have been heard. Reference bylaws #0167 of the Audubon Public Schools Board of Education Policy Manual.

The Board uses the public comment period as an opportunity to listen to citizen. Not all issues brought to a Board meeting will be resolved at that particular meeting. Complaints stated or actions requested by the public may be taken under advisement by the Board for investigation, discussion, actions, or disposition at a later date or time. The public comments sessions are an opportunity for citizens to share their opinions and remarks with the Board; it is not a question and answer session. The Board may or may not respond to public comments at the time they are made and is under no obligation to do so.

The Board does not endorse public comments nor will the Board be held liable for comments made by members of the public. Any individuals who may be the subject of public comments, including district employees, shall retain all rights against defamation and slander according to the laws of New Jersey.
